**Part III:**

No further record of the substance of the examiner-initiated interview is necessary because the interview directly resulted in allowance of the present application. The examiner provided a written summary of the substance of the interview in the Notice of Allowability by an examiner's amendment. Pursuant to MPEP section 713.04, "Where a complete record of the interview has been incorporated in an examiner's amendment, it will not be necessary for the examiner to complete an Interview Summary form."
